

# **TRANSCRIPT REQUEST** **INFORMATION**

The University charges a small fee for transcripts. To order a transcript, go to: [www.student.ufl.edu](http://www.student.ufl.edu), select "transcripts" and follow the prompts. Online orders are paid through a secure credit card. A GatorLink account is necessary to complete the transaction. Instructions will help you complete all the necessary steps even if you do not have a GatorLink account.

Current and former students with valid GatorLink accounts can view and print a free unofficial copy of a transcript from the One.UF (link above) Web site.
